

Light in The Darkness

Heavenly light
Shining through darkness
Halo of beauty
Which radiates love.
Gift to the world
If we will receive him,
Offering wholeness,
Offering peace.

*Light in the darkness
Glowing so brightly;
Warmth-bringing comfort
Pushing out night.
Light in the shadows,
Brilliantly shining;
Hope-bringing radiance
It's the light of his life this day.*

Light of the world
Bringer of healing
Mending the broken
Sustaining new life.
Gift to the world
If we will receive him,
Offering wholeness
Offering peace.
